REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

After consideration of applicant's arguments in light of *In re Stempel* (113 USPQ 77) and *In re Moore* (170 USPQ 260), the rejections of record are withdrawn. The priority document teaches as much as the reference patent teaches, and the claims in this application are not drawn to the same invention as the patent.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mary E. Mosher, Ph.D. whose telephone number is 571-272-0906. The examiner can normally be reached on M-T and alternate F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Housel can be reached on 571-272-0902. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
